Multimedia Permission Slip 2019

Dear Parent/Carer,

Why are we asking for your consent again?

You may be aware that data protection rules changed. To ensure we are meeting the new requirements, we need to re-seek your consent to take and use multimedia files of your child, for example photographs/videos. We really value using multimedia of students, to be able to showcase what students do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again.
