## Student Friendly Safeguarding Policy

2023 - 2024

All the adults around you look after your health, safety and welfare.

At The Cavendish High Academy, we respect all children and adults, and

help to protect your rights.

To help you decide what could be a problem and where to get

help and support. You must know who to talk to and

also understand why you might need to talk to someone.

At The Cavendish High Academy, we have a safeguarding team.

 At The Cavendish High Academy we provide a safe environment for you

 to learn.

 Staff at school know how you keep you and your friends safe.

Visitors are asked for their Enhanced DBS, which is a certificate to say

that the visitor has been checked by the law, that they have

no criminal records and are safe to work with or around

If an adult does not have a DBS certificate, they will have an adult

 What else do you need to understand about safeguarding?

 All adults will listen to what you have to say.

 Adults won't ask lots of questions.

 Adults might make notes to make sure all concerns are recorded.

 Adults will not promise to keep secrets. They will explain they have to

 share your worries with someone else.

 All adults will immediately tell the Safeguarding team, so they

 can help.
